

## INDEX MS32C

**Kind : Cnc multispindle lathe**  
**Manufacturer : INDEX**  
**Model : MS32C**  
**Year : 2004**  
**Serial : 150327**  
**Stock : 9671**

### TECHNICAL DETAILS

- number of spindles : 6 independent
- bar clearance : 32 [mm]
- maxi spindle speed : 6 300 [rpm]
- machine equipped with 32 numerical axes
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 1.2 : fixed X axis, Z axis controlled by CNC
- slide unity 2.1 : fixed X axis, Z axis controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : fixed X axis, Z axis controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : fixed X axis, Z axis controlled by CNC
- slide unity 5.1 : fixed X axis, Z axis controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- counter-spindle position 6.1 : X and Z axes controlled by CNC

**Kind : Cnc multispindle lathe**

**Manufacturer : INDEX**

**Model : MS32C**

**Year : 2004**

**Serial : 150327**

**Stock : 9671**

**EQUIPMENT**

- INDEX C200-4 control (Siemens SINUMERIK 840D)
- Simple NCU
- IEMCA SIR MS32/33/P bar loader
- Coolant tank with HP pump
- KNOLL chips conveyor
- RIEDEL cooling unit
- Parts catcher with conveyor in position 6
- Cross drilling device in position 3.1 et 4.1
